KOP W LL

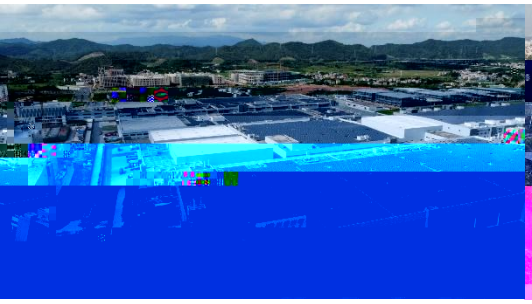

Hong Sheng PV Roofing System:

II. Engineering Projects: System Services Strengthen Engineering Safety

(I) Transportation Infrastructure

Case: HDPE Assists in the Construction of Pan-Da Expressway Baoding Tunnel Project

(II) Industrial Workshops

Case: TPO Roofing System

Case: Fuda Fort

Case: InfinShine Glass Wool

Case: DAW Solvent-Free Epoxy Self-Levelling System

HDPE Contributes to the Construction of the Utility Tunnel in Shaxi Line, Chengdu

(IV) Commercial/Civil Building

C

Example: Tiandingfeng Supports the Construction of the Project of Water Diversion from the Huaihe River to the Dabie Mountains Old Revolutionary Base Area

III. Craftsman: Vocational Education Promotes High-quality Development of the Industry

The Company has published seven textbooks,

The Company launches the programs of ñ30-day Introductory Training for Newbiesò and ñOne-year Apprenticeship Workshopò,

Moreover, the Company actively undertakes all kinds of national second-class competitions and industrial competitions,

IV. Strategies: Quality Management and Foundation Already Development

(II) Building of Green Supply Chain

(III) Green Production - Safety

1. Safety Management System

Safety Management Policies in Production and Logistics Bases of Oriental Yuhong

3. Product Safety

Canteen Fumes	

2. Investment in Environmental Protection

Statement on Oriental Yuhongôs Main Investment in Environmental Protection

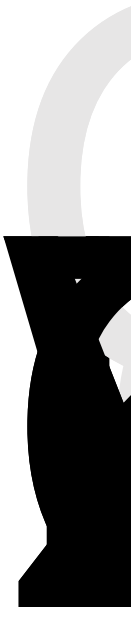

No.	Category

Carbon Emission Data of Oriental Yuhong (Scope I and Scope II)

Unit (tco2e)	Scope I		
	Scope II		

4. Emission Reduction

No.	Type	Unit	2022
[redacted]			

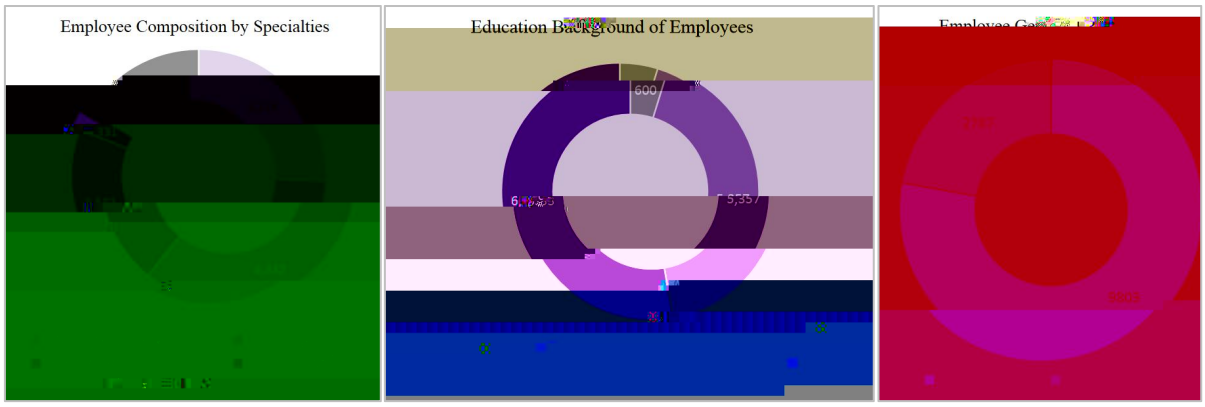

(v) een and Intelligent Services

Example: The Specialized Puncture Resistance Tester for Polymer Self-Adhesive Fil

VI. Community: Taking Responsibility, Harmony and Upward Mobility

(I) Moving Forward with Employees

2. Basic Rights and Protection

3. Upholding of Labour Rights and Interests

5. Remuneration and Incentives

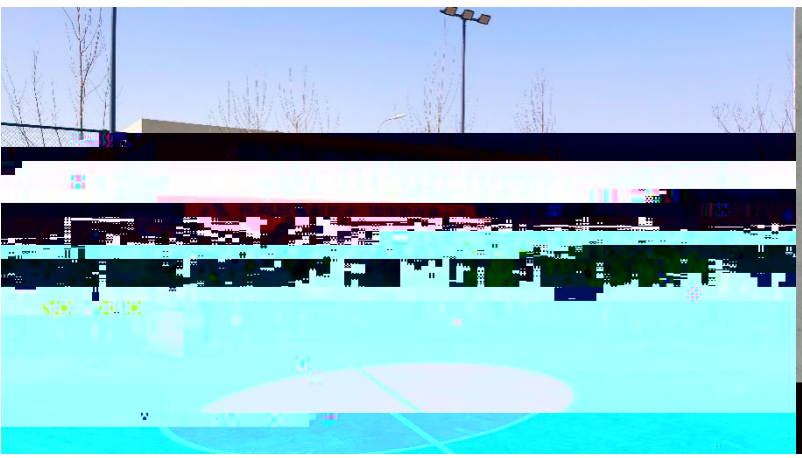

6. Welfare Benefits and Care

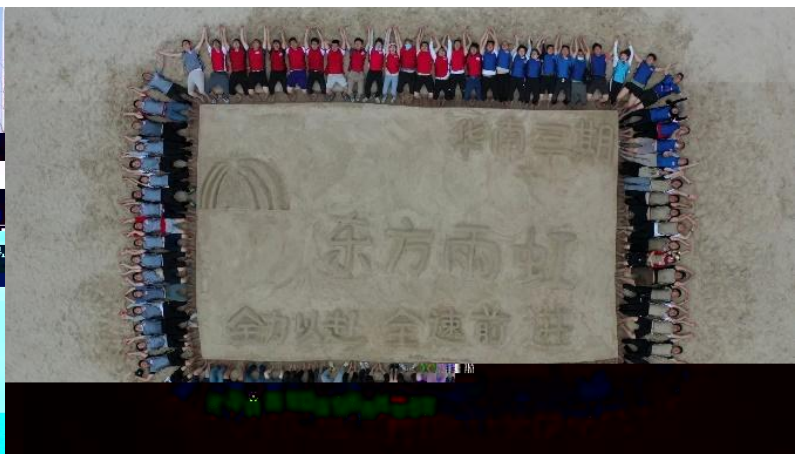

7. Health and Safety

Management System of Occupational Health and Safety

Prevention and control of occupational diseases

Psychological Health

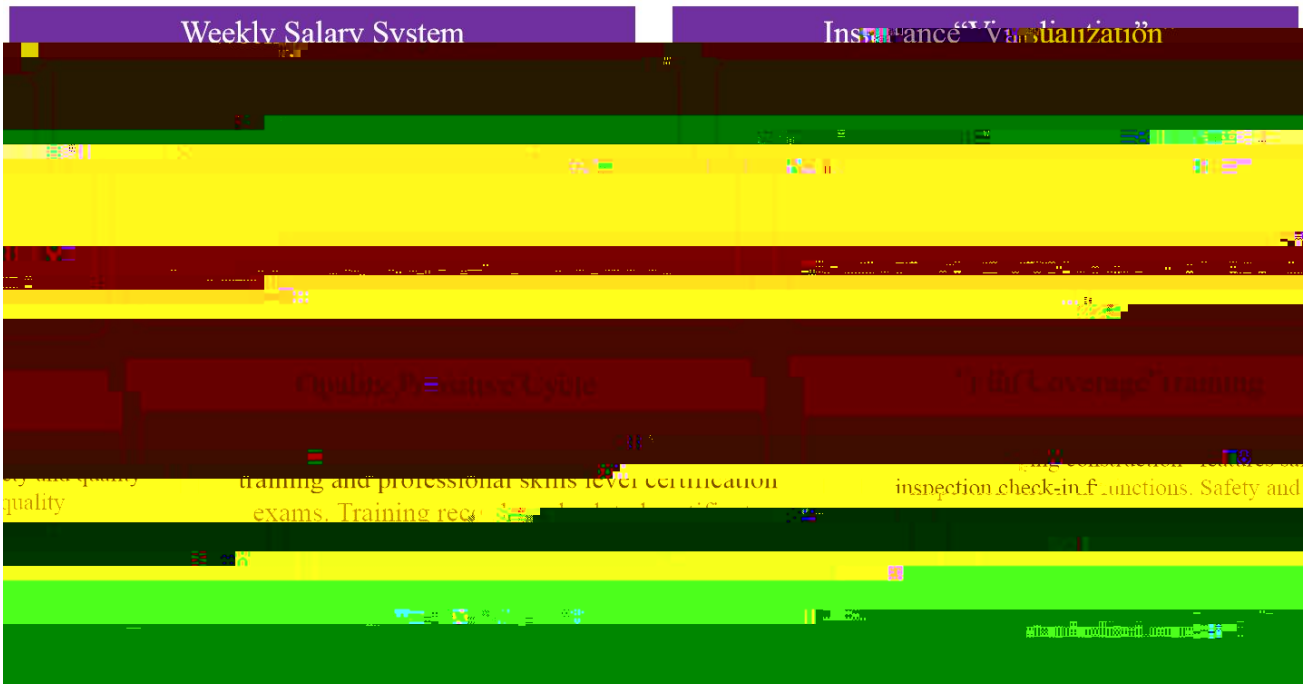

Over **5,400**
construction teams

Over **270,000**
long-term cooperative workers

Over **20,000**
daily average workers on-site

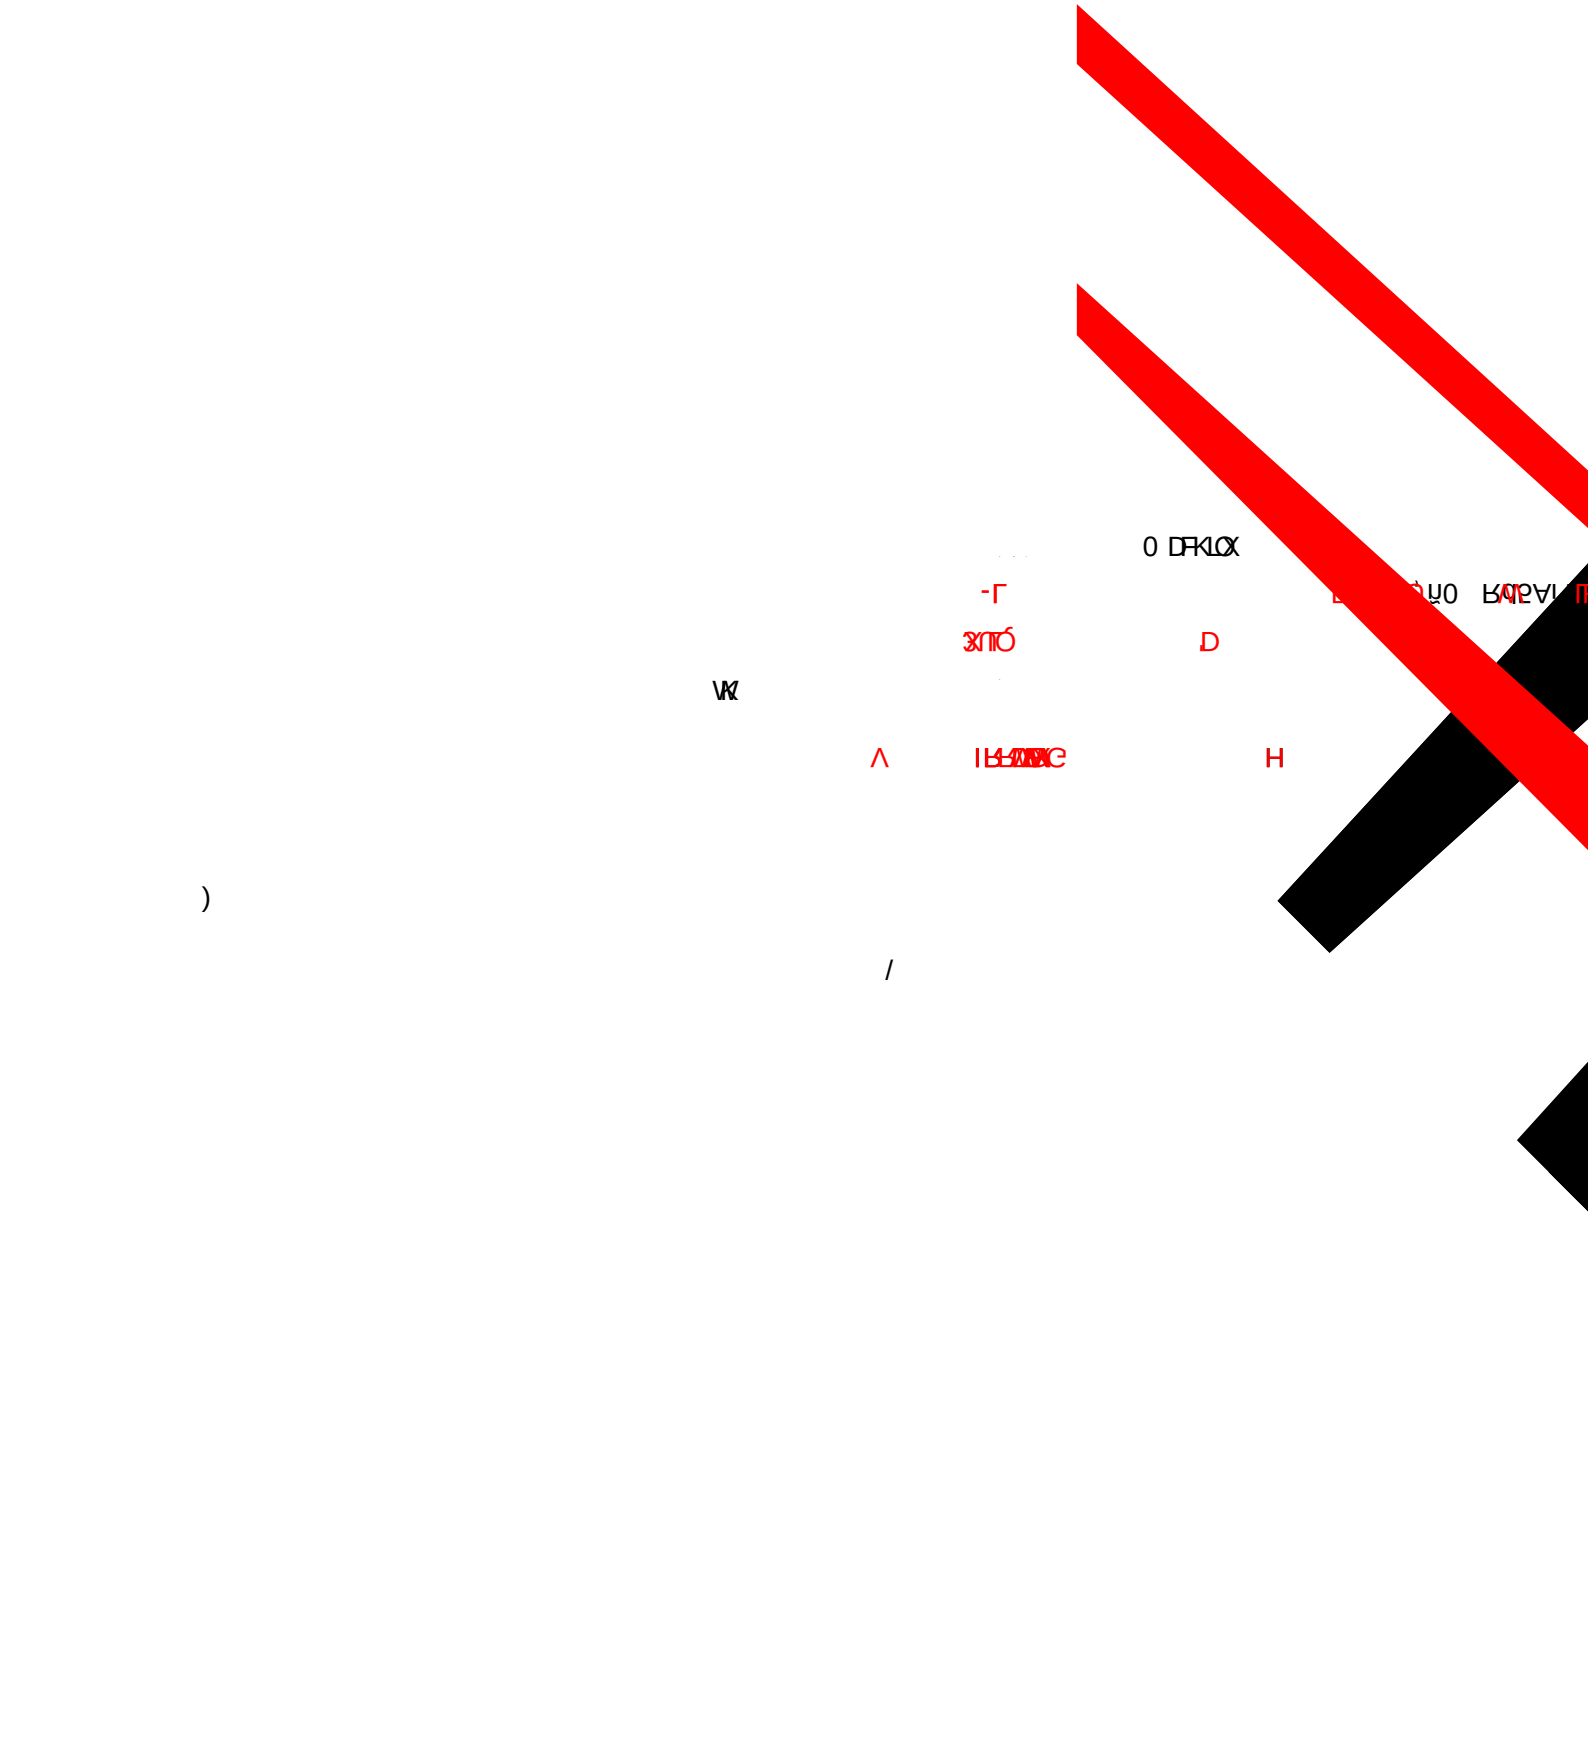

Over **10,000**
daily active users on the platform

(III) Warm-hearted Actions for a Caring Soc

Focusing on Education

(1) Encouraging Students with Scholarships

`)B‰$

Closing Remarks

Mountains Ascend through Accumulation, and Rivers Magnify by Merging.
